INFORMATION FOR ORDERING OFFICES APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Acquisition Service Home Page (www.fss.gsa.gov) contains information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

1. Geographic Scope of Contract:

The geographic scope of this contract is the 48 contiguous states and the District of Columbia

2. Contractor's Ordering Address and Payment Information:

**Audio Fidelity Communication Corporation
12820 WEST CREEK PARKWAY
RICHMOND, VIRGINIA 23238**

Contractors are required to accept credit cards for payments equal to or less than the micro-purchase threshold for oral or written delivery orders. Credit cards will be acceptable for payment above the micro-purchase threshold. In addition, bank account information for wire transfer payments will be shown on the invoice.

The following telephone number(s) can be used by ordering agencies to obtain technical and/or ordering assistance:

**(804) 273-9100
(800) 726-9843 toll free**

3. LIABILITY FOR INJURY OR DAMAGE

The Contractor shall not be liable for any injury to ordering activity personnel or damage to ordering activity property arising from the use of equipment maintained by the Contractor, unless such injury or damage is due to the fault or negligence of the Contractor.

4. Statistical Data for Government Ordering Office Completion of Standard Form 279:

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

Block 9: **G.** Order/Modification Under Federal Schedule

Block 16: Data Universal Numbering System (DUNS) Number: **02-389-2201**

Block 31: Woman-Owned Small Business - **No**

Block 36: Contractor's Taxpayer Identification Number (TIN): **54-0617014**

4a. CAGE Code: **7-D413**

4b. Contractor has registered with the Central Contractor Registration Database.

5. FOB Destination

6. DELIVERY SCHEDULE

a. TIME OF DELIVERY: The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

SPECIAL ITEM NUMBER	DELIVERY TIME (Days ARO)
132-8	30 Days

b. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

7. Discounts: Prices shown are NET Prices; Basic Discounts have been deducted.

- a. Prompt Payment: NET 30 days from receipt of invoice or date of acceptance, whichever is later.
- b. Quantity: None
- c. Dollar Volume: None
- d. Government Educational Institutions: Prices offered are the same for all Federal Government Customers
- e. Other: None

8. Trade Agreements Act of 1979, as amended:

All items are U.S. made end products, designated country end products, Caribbean Basin country end products, Canadian end products, or Mexican end products as defined in the Trade Agreements Act of 1979, as amended.

9. Statement Concerning Availability of Export Packing:

AVAILABLE AT ADDITIONAL COST – OUTSIDE SCOPE OF CONTRACT

10. Small Requirements: The minimum dollar value of orders to be issued is \$100.

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

11. Maximum Order (All dollar amounts are exclusive of any discount for prompt payment.)

a. The Maximum Order value for the following Special Item Numbers (SINs) is \$500,000:

Special Item Number 132-8 - Purchase of Equipment

Special Item Number 132-12 – Maintenance of Equipment, Repair Service, and Repair Parts/Spare Parts

12. USE OF FEDERAL SUPPLY SERVICE INFORMATION TECHNOLOGY SCHEDULE CONTRACTS. In accordance with FAR 8.404:

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services. These procedures apply to all schedules.

a. FAR 8.405-1 Ordering procedures for supplies, and services not requiring a statement of work.

b. FAR 8.405-2 Ordering procedures for services requiring a statement of work.

13. FEDERAL INFORMATION TECHNOLOGY/TELECOMMUNICATION STANDARDS

REQUIREMENTS: ordering activities acquiring products from this Schedule must comply with the provisions of the Federal Standards Program, as appropriate (reference: NIST Federal Standards Index). Inquiries to determine whether or not specific products listed herein comply with Federal Information Processing Standards (FIPS) or Federal Telecommunication Standards (FED-STDS), which are cited by ordering activities, shall be responded to promptly by the Contractor.

13.1 FEDERAL INFORMATION PROCESSING STANDARDS PUBLICATIONS (FIPS PUBS):

Information Technology products under this Schedule that do not conform to Federal Information Processing Standards (FIPS) should not be acquired unless a waiver has been granted in accordance with the applicable "FIPS Publication." Federal Information Processing Standards Publications (FIPS PUBS) are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Information concerning their availability and applicability should be obtained from the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, Virginia 22161. FIPS PUBS include voluntary standards when these are adopted for Federal use. Individual orders for FIPS PUBS should be referred to the NTIS Sales Office, and orders for subscription service should be referred to the NTIS Subscription Officer, both at the above address, or telephone number (703) 487-4650.

13.2 FEDERAL TELECOMMUNICATION STANDARDS (FED-STDS): Telecommunication products under this Schedule that do not conform to Federal Telecommunication Standards (FED-STDS) should not be acquired unless a waiver has been granted in accordance with the applicable "FED-STD." Federal Telecommunication Standards are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Ordering information and information concerning the availability of FED-STDS should be obtained from the GSA, Federal Acquisition Service, Specification Section, 470 East L'Enfant Plaza, Suite 8100, SW, Washington, DC 20407, telephone number (202)619-8925. Please include a self-addressed mailing label when requesting information by mail. Information concerning their applicability can be obtained by writing or calling the U.S. Department of Commerce, National Institute of Standards and Technology, Gaithersburg, MD 20899, telephone number (301)975-2833.

14. CONTRACTOR TASKS / SPECIAL REQUIREMENTS (C-FSS-370) (NOV 2001)

(a) Security Clearances: The Contractor may be required to obtain/possess varying levels of security clearances in the performance of orders issued under this contract. All costs associated with obtaining/possessing such security clearances should be factored into the price offered under the Multiple Award Schedule.

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

(b) Travel: The Contractor may be required to travel in performance of orders issued under this contract. Allowable travel and per diem charges are governed by Pub .L. 99-234 and FAR Part 31, and are reimbursable by the ordering agency or can be priced as a fixed price item on orders placed under the Multiple Award Schedule. The Industrial Funding Fee does NOT apply to travel and per diem charges.

NOTE: Refer to FAR Part 31.205-46 Travel Costs, for allowable costs that pertain to official company business travel in regards to this contract.

(c) Certifications, Licenses and Accreditations: As a commercial practice, the Contractor may be required to obtain/possess any variety of certifications, licenses and accreditations for specific FSC/service code classifications offered. All costs associated with obtaining/ possessing such certifications, licenses and accreditations should be factored into the price offered under the Multiple Award Schedule program.

(d) Insurance: As a commercial practice, the Contractor may be required to obtain/possess insurance coverage for specific FSC/service code classifications offered. All costs associated with obtaining/possessing such insurance should be factored into the price offered under the Multiple Award Schedule program.

(e) Personnel: The Contractor may be required to provide key personnel, resumes or skill category descriptions in the performance of orders issued under this contract. Ordering activities may require agency approval of additions or replacements to key personnel.

(f) Organizational Conflicts of Interest: Where there may be an organizational conflict of interest as determined by the ordering agency, the Contractor's participation in such order may be restricted in accordance with FAR Part 9.5.

(g) Documentation/Standards: The Contractor may be requested to provide products or services in accordance with rules, regulations, OMB orders, standards and documentation as specified by the agency's order.

(h) Data/Deliverable Requirements: Any required data/deliverables at the ordering level will be as specified or negotiated in the agency's order.

(i) Government-Furnished Property: As specified by the agency's order, the Government may provide property, equipment, materials or resources as necessary.

(j) Availability of Funds: Many Government agencies' operating funds are appropriated for a specific fiscal year. Funds may not be presently available for any orders placed under the contract or any option year. The Government's obligation on orders placed under this contract is contingent upon the availability of appropriated funds from which payment for ordering purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are available to the ordering Contracting Officer.

15. CONTRACT ADMINISTRATION FOR ORDERING ACTIVITIES: Any ordering activity, with respect to any one or more delivery orders placed by it under this contract, may exercise the same rights of termination as might the GSA Contracting Officer under provisions of FAR 52.212-4, paragraphs (l) Termination for the ordering activity's convenience, and (m) Termination for Cause (See C.1.)

16. GSA ADVANTAGE!

GSA Advantage! is an on-line, interactive electronic information and ordering system that provides on-line access to vendors' schedule prices with ordering information. GSA Advantage! will allow the user to perform various searches across all contracts including, but not limited to:

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

- (1) Manufacturer;
- (2) Manufacturer's Part Number; and
- (3) Product categories.

Agencies can browse GSA Advantage! by accessing the Internet World Wide Web utilizing a browser (ex.: NetScape). The Internet address is <http://www.fss.gsa.gov/>.

17. PURCHASE OF OPEN MARKET ITEMS

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, **only if-**

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

- (1) Time of delivery/installation quotations for individual orders;
- (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/ service/software package submitted in response to requirements which result in orders under this schedule contract.
- (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

19. OVERSEAS ACTIVITIES

The terms and conditions of this contract shall apply to all orders for installation, maintenance and repair of equipment in areas listed in the pricelist outside the 48 contiguous states and the District of Columbia, except as indicated below:

Contract will not be applicable outside the United States.

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

21. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Industrial Funding Fee and Sales Reporting, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

22. INSTALLATION, DEINSTALLATION, REINSTALLATION

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act apply.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8.

23. SECTION 508 COMPLIANCE.

If applicable, Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT) at the following:

www.whitlock.com

The EIT standard can be found at: www.Section508.gov/.

24. PRIME CONTRACTOR ORDERING FROM FEDERAL SUPPLY SCHEDULES.

Prime Contractors (on cost reimbursement contracts) placing orders under Federal Supply Schedules, on behalf of an ordering activity, shall follow the terms of the applicable schedule and authorization and include with each order –

- (a) A copy of the authorization from the ordering activity with whom the contractor has the prime contract (unless a copy was previously furnished to the Federal Supply Schedule contractor); and
- (b) The following statement:

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

This order is placed under written authorization from _____ dated _____. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern.

25. INSURANCE—WORK ON A GOVERNMENT INSTALLATION (JAN 1997)(FAR 52.228-5)

- (a) The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract, at least the kinds and minimum amounts of insurance required in the Schedule or elsewhere in the contract.
- (b) Before commencing work under this contract, the Contractor shall notify the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective—
 - (1) For such period as the laws of the State in which this contract is to be performed prescribe; or
 - (2) Until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer, whichever period is longer.
- (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in subcontracts under this contract that require work on a Government installation and shall require subcontractors to provide and maintain the insurance required in the Schedule or elsewhere in the contract. The Contractor shall maintain a copy of all subcontractors' proofs of required insurance, and shall make copies available to the Contracting Officer upon request.

26. SOFTWARE INTEROPERABILITY.

Offerors are encouraged to identify within their software items any component interfaces that support open standard interoperability. An item's interface may be identified as interoperable on the basis of participation in a Government agency-sponsored program or in an independent organization program. Interfaces may be identified by reference to an interface registered in the component registry located at <http://www.core.gov>.

27. ADVANCE PAYMENTS

A payment under this contract to provide a service or deliver an article for the United States Government may not be more than the value of the service already provided or the article already delivered. Advance or pre-payment is not authorized or allowed under this contract. (31 U.S.C. 3324)

TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT (SPECIAL ITEM NUMBER 132-8)

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

“See GSA/FSS Information Technology Pricelist”

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8.

c. **OPERATING AND MAINTENANCE MANUALS.** The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.

5. INSPECTION/ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. WARRANTY

a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.

The Contractor's commercial warranty will be that of the related manufacturer. Manufacturer warranties for products listed in this offering range from one (1) to five (5) years and include parts and repair labor.

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: 12820 West Creek Parkway, Richmond, VA 23238.

7. PURCHASE PRICE FOR ORDERED EQUIPMENT

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT

When an ordering activity determines that Information Technology equipment will be replaced, the ordering activity shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)

1. SCOPE

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

- (1) Cancel the stop-work order; or
 - (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
- (b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-
- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
 - (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.
- (c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- (d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

The Inspection of Services-Fixed Price (AUG 1996) (Deviation 1 – May 2003) clause at FAR 52.246-4 applies to firm-fixed price orders placed under this contract. The Inspection-Time-and-Materials and Labor-Hour (May 2001) (Deviation 1 – May 2003) clause at FAR 52.246-6 applies to time-and-materials and labor-hour orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Deviation – Dec 2007) Rights in Data – General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Professional Services.

9. INDEPENDENT CONTRACTOR

All IT Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (OCT 2008) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (OCT 2008) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

(a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.

(b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—

- (1) The offeror;
- (2) Subcontractors; and/or
- (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT PROFESSIONAL SERVICES AND PRICING

a. The Contractor shall provide a description of each type of IT Service offered under Special Item Numbers 132-51 IT Professional Services should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.

b. Pricing for all IT Professional Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices.

Design & Consulting Service \$143.57

Minimum/General Experience: 10 years experience directly in the field of audiovisual and/or broadcast integration. 5 years experience in an engineering, design and commissioning role. Strong experience interfacing with Architects. General Contractors and Consultants

Functional Responsibility: Great combination of customer and technical skills. Partnering with our experienced sales professionals to design integrated mission critical and high profile integrated audiovisual, videoconferencing and broadcast systems. Designers have good communications skill set to interface with clients, architects, contractors and TWG staff.

- Successfully producing competent and comprehensive audiovisual, videoconferencing, and broadcast designs to TWG clients in our target markets. This includes:
 - Display, switching, processing, control systems, equipment racks, sound systems, lighting, audio and videoconferencing for control rooms, operations centers, network operations center, boardrooms, visualization labs, executive briefing centers, classrooms, training rooms and other mission critical and high profile environments.
 - Clearly defined scopes of work and system descriptions, which meet the desired client functionality.
 - TWG assumptions and exclusions regarding scheduling, site conditions, worked performed by others, etc. which eliminate surprises and project scope creep.

- Verification of comprehensive equipment lists that correspond to scopes of work and system descriptions.
- Accurately (within an acceptable margin of error) producing pricing for TWG labor, subcontractors, cable, misc. parts, travel and freight, based upon the proposal and/or bid assumptions, utilizing TWG internal pricing systems and strategies.
- Successfully perform architectural design and coordination in conjunction with our clients, their architects and engineers, and contractors.
- Ability to create, review and understand client and consultant bid specifications and system drawings and accurately assess TWG's equipment counts and bid requirements to produce a working system and meet all additional project requirements

Minimum Education: Bachelor's degree, preferably in electrical engineering or a closely related audiovisual, media or broadcast related field.

Engineering & CAD..... \$105.28

Minimum/General Experience: 7 years experience directly in the field of audiovisual and/or broadcast integration. 2 years in an engineering, design and commissioning role. Strong experience in interfacing with Architects, General contractors and Consultants.

Functional Responsibility: Great combination of customer and technical skills. Partnering with our experienced sales professionals to design integrated mission critical and high profile integrated audiovisual, videoconferencing and broadcast systems. Designers have good communications skill set to interface with clients, architects, contractors and TWG staff.

- Successfully producing competent and comprehensive audiovisual, videoconferencing, and broadcast designs to TWG clients in our target markets. This includes:
 - Display, switching, processing, control systems, equipment racks, sound systems, lighting, audio and videoconferencing for control rooms, operations centers, network operations center, boardrooms, visualization labs, executive briefing centers, classrooms, training rooms and other mission critical and high profile environments.
 - Clearly defined scopes of work and system descriptions, which meet the desired client functionality.
 - TWG assumptions and exclusions regarding scheduling, site conditions, worked performed by others, etc. which eliminate surprises and project scope creep.
 - Verification of comprehensive equipment lists that correspond to scopes of work and system descriptions.
- Accurately (within an acceptable margin of error) producing pricing for TWG labor, subcontractors, cable, misc. parts, travel and freight, based upon the proposal and/or bid assumptions, utilizing TWG internal pricing systems and strategies.
- Successfully perform architectural design and coordination in conjunction with our clients, their architects and engineers, and contractors.
- Ability to create, review and understand client and consultant bid specifications and system drawings and accurately assess TWG's equipment counts and bid requirements to produce a working system and meet all additional project requirements

Minimum Education: Bachelor's degree, preferably in electrical engineering or a closely related audiovisual, media or broadcast related field.

Control System Programmer..... \$95.71

Minimum/General Experience: 2 years of programming experience, Crestron and/or AMX Level 2 certifications, knowledge of standard software for DSP set-up, switcher set-up, ability of troubleshoot audio, video and control system problems.

Functional Responsibility: Partnering with our experienced engineering and project management staff to create control system programs to operate systems that we design and install as well as with sales professionals to design integrated mission critical and high profile integrated audiovisual, videoconferencing and broadcast systems. Programmers must be a certified Crestron and/or AMX control systems and have experience completing technical installation of audiovisual systems.

This includes:

- Successfully producing control system programming services to TWG clients in our target markets. This includes:
 - Designing graphic user interfaces in conjunction with the expectations of our customers, the TWG project management and engineering staff, and your past experience to create an intuitive and logical series of functions that will result in our customers being able to successfully use the systems that we integrate.
 - Creating multiple levels of complexity in the graphical user interfaces ranging from an “executive-level” user to control the normal functionality of the systems with very little training to a “technical-level” user who is well-trained and completely understands the operation of the system.
 - Creating control system programs that operate the various pieces of equipment integrated in a system wherever possible providing for true two-way feedback from the devices themselves.
- Successfully assisting with the configuration and commissioning of systems for TWG clients in our target markets. This includes:
 - Creating and configuring audio DSP devices as well as their integration into the control system programming.
 - Configuring videoconferencing codec’s as well as their integration into the control system programming.
 - Creating and configuring the layouts of windowing devices for both single-screen applications and multiple-screen applications as well as their integration into the control system programming.
 - Creating and configuring any other devices that may require custom setup and/or programming that are part of a system.
 - Assisting with the testing of the audio, video, and control subsystems.
- Successfully working with the project management and engineering staff to identify and correct any deficiencies that may be encountered with the installations.

Minimum Education: Associate degree in Audio/visual

Project Management..... \$86.14

Minimum/General Experience: Four years experience directly in the field of audiovisual and/or broadcast integration. A minimum of two years experience in a lead technician role.

Functional Responsibility: has a minimum of 5 years experience as a Project manager of technical integration and field service teams. Has excellent organization and communication skills and takes an active role in the training and supervision of the installation team. Will perform technical review and coordinate large venues. Required to interact with sales team, customers, architects, consultants and construction contractors.

Minimum Education: A minimum of high school diploma is required, with some college work and specific industry training preferred.

System Integration \$71.78

Minimum/General Experience: A minimum of 2 years experience in installing audiovisual system, including LCD/DLP/CRT projection systems, cabling and terminating Video/audio systems, and installing components such as wall plates, speakers, cameras and projection screens.

Functional Responsibility: Technician must demonstrate experience completing technical installation of audiovisual systems, including equipment rack fabrication, site preparation, termination and calibration of audio and video equipment, and implementation of Crestron and AMX control systems. Auto CAD and/or Vid CAD experience is a plus. Ability to trouble-shoot complex audio, video, switching and control systems problems required. Technician should be able to discuss examples of completed projects and provide positive references

Minimum Education: High School diploma or GED (equivalent)

Government Services Division

SERVING GOVERNMENT, DoD, MILITARY & FEDERAL AGENCIES

General Admin/Documents..... \$47.86

Minimum/General Experience: 3 years office experience

Functional Responsibility: Perform typing, filing, administrative and clerical duties of a complex manner. Maintains filing and racking system for easy retrieval of correspondences. Imputes, tracks, maintains and updates travel records, log sheets, standard forms, financial documents and security data records.

Minimum Education: High school diploma

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

PREAMBLE

Audio Fidelity Communication Corporation provides commercial products and services to ordering activities. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts. To accelerate potential opportunities please contact:

Audio Fidelity Communication Corporation, Doug Hall, (804) 273-9100, halld@whitlock.com, (804) 273-9380.

BEST VALUE
BLANKET PURCHASE AGREEMENT
FEDERAL SUPPLY SCHEDULE

(Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act (ordering activity) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the ordering activity that works better and costs less.

BPA NUMBER _____

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (ordering activity):

- (1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____
_____	_____

- (2) Delivery:

DESTINATION	DELIVERY SCHEDULES / DATES
_____	_____
_____	_____
_____	_____

- (3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

- (4) This BPA does not obligate any funds.

- (5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

- (6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____
_____	_____

- (7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

- (8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;
- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;

Government Services Division

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions of the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.

132-8	Biamp	TESIRA EX-IO	2 channel mic/line input & 2 channel mic/line output expander PoE+	\$ 1,398.00	\$ 774.71
132-8	Biamp	TESIRA EX-LOGIC	PoE logic expander with 16 logic GPIO	\$ 628.00	\$ 348.01
132-8	Biamp	TESIRA EX-MOD	Modular expander tht is capable of using up to 3 expander cards	\$ 1,888.00	\$ 1,046.25
132-8	Biamp	TESIRA EX-OUT	4 channel mic/line output expander PoE+	\$ 1,398.00	\$ 774.71
132-8	Biamp	TESIRA SAC-4	4 channel mic/line input card with ambient noice compensation per channel	\$ 732.00	\$ 405.64
132-8	Biamp	TESIRA SAC-4 CK	4 channel mic/line input card kit with ambient moise compensation per channel	\$ 832.00	\$ 461.06
132-8	Biamp	TESIRA SCM-1	32x32 CobraNet module for ise in Server or SERVER-IO chassis	\$ 838.00	\$ 464.38
132-8	Biamp	TESIRA SCM-1 CK	32x32 CobraNet card kit for use in SERVER or SERVER-IO chassis	\$ 938.00	\$ 519.80
132-8	Biamp	TESIRA SEC-4	4 cahnnel mic/line input card with acoustic echo cancellation per channel	\$ 732.00	\$ 405.64
132-8	Biamp	TESIRA SEC-4 CK	4 channel mic/line input card kit with acoustic echo cancellation per channel	\$ 832.00	\$ 461.06
132-8	Biamp	TESIRA SERVER	DSP server with 1 DSP-2 card (7 additional DSP-2 cards can be added), 1 AVB-1 network card (1 AVB-1 card can be added)	\$ 7,980.00	\$ 4,422.17
132-8	Biamp	TESIRA SERVER-IO	Up to 48 channels of I/O, 1 DSP-2 card (2 additional cards can be added) no AVB-1	\$ 6,720.00	\$ 3,723.93
132-8	Biamp	TESIRA SERVER-IO AVB	Up to 48 channels of I/O, 1 AVB-1 network card and 1 DSP-2 card (2 additional DSP-2 cards can be added)	\$ 7,350.00	\$ 4,073.05
132-8	Biamp	TESIRA SIC-4	4 channel mic/line input card	\$ 354.00	\$ 196.17
132-8	Biamp	TESIRA SIC-4 CK	4 channel mic/line inout card kit	\$ 454.00	\$ 251.59
132-8	Biamp	TESIRA SOC-4	4 channel mic/line output card	\$ 312.00	\$ 172.90
132-8	Biamp	TESIRA SOC-4 CK	4 channel mic/line output card kit	\$ 412.00	\$ 228.31
132-8	Biamp	TESIRA STC-2	2 line POTS line interface card	\$ 628.00	\$ 348.01
132-8	Biamp	TESIRA STC-2 CK	2 line POTS line interface card kit	\$ 728.00	\$ 403.43

132-8	Biamp	VOCIA WR-1	Wall-mounted networked PoE control panel for Vicia	\$ 554.00	\$ 307.00
132-8	Biamp	VOCIA AM-600	100-600 Watt Amplifier Module Card for VA-8600 (software configurable)	\$ 888.00	\$ 492.09
132-8	Biamp	VOCIA AM-600 CK	Amplifier Module Card Kit	\$ 998.00	\$ 553.05
132-8	Biamp	VOCIA AM-600c CK	Voica Amplifier Module Card Kit, 100 to 600 att with standards-compliant ground fault detection, for use in VOICA VA -8600c (EN54-16 Certified)	\$ 1,108.00	\$ 614.01
132-8	Biamp	VOCIA ANC-1	Ambient Noise Compensation Device	\$ 888.00	\$ 492.09
132-8	Biamp	VOCIA CI-1	Control Interface (interface between fire alarm and LSI-16; UL listed)	\$ 1,110.00	\$ 615.11
132-8	Biamp	VOCIA DS-10	Desktop Paging Station with 999 user-configurable Page Codes, embedded DSP and on-board memory	\$ 2,220.00	\$ 1,230.23
132-8	Biamp	VOCIA DS-4	Desktop Paging Station with 4 user-configurable Page Codes, embedded DSP and on-board memory	\$ 2,110.00	\$ 1,169.27
132-8	Biamp	VOCIA EWS-10	Wall-mounted Paging Station with hand-held microphone, 999 user-configurable Page codes, DSP and on-board memory	\$ 2,332.00	\$ 1,292.29
132-8	Biamp	VOCIA EWS-4	Wall-mounted Paging Station with hand-held microphone, 4 user-configurable Page codes, DSP and on-board memory	\$ 2,220.00	\$ 1,230.23
132-8	Biamp	VOCIA LSI-16	Life Safety Interface networked device that is an emergency interface to third-party emergency systems	\$ 2,220.00	\$ 1,230.23
132-8	Biamp	VOCIA LSI-16e	Enhanced Life Safety Interface device with a total of 20 discrete inputs for emergency zones and zone faults	\$ 2,832.00	\$ 1,569.37
132-8	Biamp	VOCIA MS-1	Networked Message Server that supports message storage and playback, event scheduling, VoIP interface, logging, and remote access	\$ 6,666.00	\$ 3,694.01
132-8	Biamp	VOCIA PARM-1	Page Active Relay Module Card	\$ 444.00	\$ 246.05
132-8	Biamp	VOCIA PARM-1 CK	Page Active Relay Module Card Kit	\$ 554.00	\$ 307.00
132-8	Biamp	VOCIA POTS 1-2	Vicia POTS interface; allows real-time live direct paging from a POTS system into the Voice platforml 2-lines	\$ 2,418.00	\$ 1,339.95
132-8	Biamp	VOCIA POTS 1-4	Vicia POTS interface; allows real-time live direct paging from a POTS system into the Voice platforml 4-lines	\$ 2,924.00	\$ 1,620.35
132-8	Biamp	VOCIA PSKIT -1	Voica paging station kit with onboard DSP, memory and up to 999 stored user-configurable page codes	\$ 1,598.00	\$ 885.54
132-8	Biamp	VOCIA TTS-1	Text-to-Speech Server (software licensing sold separately, please see Text-to-Speech licensing fee table on page 3)	\$ 7,666.00	\$ 4,248.16

132-8	Biamp	VOCIA VA-2060	60W 2-channel amplifier with CobraNet	\$ 3,886.00	\$ 2,153.45
132-8	Biamp	VOCIA VA-2060e	60W 2-channel amplifier with CobraNet, local analog inouts and dual (AC & DC) power inputs	\$ 4,376.00	\$ 2,424.99
132-8	Biamp	VOCIA VA-4030	30W 4-channel amplifier with CobraNet	\$ 4,286.00	\$ 2,375.11
132-8	Biamp	VOCIA VA-4030e	30W 4-channel amplifier with CobraNet, local analog inouts and dual (AC & DC) power inputs	\$ 4,886.00	\$ 2,707.61
132-8	Biamp	VOCIA VA-8600	Multi-channel amplifier with up to 8-channels of modular amplification, CobraNet® and on-board DSP (cards sold separately)	\$ 5,332.00	\$ 2,954.76
132-8	Biamp	VOCIA VA-8600c	Voica Multi-channel amplifier with up to 8-channels of modular amplification (amplifier module cards sold separately) (EN54-16 Certified)	\$ 532.00	\$ 294.81
132-8	Biamp	VOCIA VAM-1	Voica Auxiliary Microphone Paging Station. Slave to DS-4/10, WS4/10 or for use with Voica VI-6 paging ports.	\$ 538.00	\$ 298.14
132-8	Biamp	VOCIA VFOM-1	VA-8600 Failover Module Card	\$ 732.00	\$ 405.64
132-8	Biamp	VOCIA VFOM-1 CK	VA-8600 Failover Module Card Kit	\$ 842.00	\$ 466.60
132-8	Biamp	VOCIA VI-6	Networked audio input expansion device with 6 channels of BGM or user-configurable audio, DSP and on-board memory	\$ 2,666.00	\$ 1,477.38
132-8	Biamp	VOCIA VO-4	Networked audio output expansion device with 4 line-level output channels, DSP and on-board memory	\$ 2,444.00	\$ 1,354.36
132-8	Biamp	VOCIA VOIP 1-2	Vocia VoIP interface; allows real-time live direct paging from a VoIP system into the Voice platforml 2-lines	\$ 2,594.00	\$ 1,437.48
132-8	Biamp	VOCIA VOIP 1-4	Vocia VoIP interface; allows real-time live direct paging from a VoIP system into the Voice platforml 4-lines	\$ 3,298.00	\$ 1,827.61
132-8	Biamp	VOCIA VPSI-1	Voica Paging Station interface breakout devise.	\$ 278.00	\$ 154.06
132-8	Biamp	VOCIA WS-10	Wall-mounted Paging Station with hand-held microphone, 999 user-configurable Page Codes, DSP and on-board memory	\$ 2,332.00	\$ 1,292.29
132-8	Biamp	VOCIA WS-4	Wall-mounted Paging Station with hand-held microphone, 4 user-configurable Page Codes, DSP and on-board memory	\$ 2,220.00	\$ 1,230.23
132-8	Biamp	VOCIA WS-NCM RK	Voice Wall Station Noise Canceling Microphone Replacement kit	\$ 444.00	\$ 246.05
132-8	Biamp	VOICA AM-600c	Voica Amplifier Module. Factory installed, 100 to 600 Watt, with standards-compliant ground fault detection, for use in VOICA VA-8600c. (EN45-16 Certified)	\$ 998.00	\$ 553.05
